

INTERNATIONAL OLIVE OIL

FOR PANEL SUPERVISORS COURSE

According to the I.O.C. - International Olive Council norms COI T/20 and International regulation

PARMA, 4 - 5 - 6 - 7 SEPTEMBER 2023

 **CHAMBER OF COMMERCE OF PARMA, ITALY***

course conducted in
ENGLISH

COURSE OBJECTIVES

The course is aimed at training Panel Leaders with specific skills and tools to set up, train and guide official tasting panels of virgin olive oils according to the international standards governing the classification and marketing of olive oils.

The Panel Leader, also known as Panel Supervisor, is a professional able to select and train professional tasters for the composition of official Panels for product classification.

FEATURES OF THE PANEL LEADER

The Panel Leader (Panel Supervisor) is the link between the sensory judges (tasters) and the "sensory evaluation" of the product.

A multidisciplinary role where you/he must have the ability to:

- instructor;
- manager;
- secretary;
- have good listening skills;
- have solid leadership;
- organization skills;
- inventiveness and creativity

He must possess the same qualities required of the tasters making up the panel, intellectual honesty, curiosity, motivation (tasting) and determination in managing the group of tasters.

Must be able to manage the Panel Room, be the point of reference and guide of the group of judges who make up the panel and a good administrator of the large volume of samples to be tested, which may sometimes have to be repeated.

He/she should have a sound knowledge of the product being analysed and facilitate the various round table discussions on determining the specific descriptors for each product category.

COMPETENCIES

The required duties for a Panel Supervisor are to:

- manage and oversee the running of the laboratory and associated information system;
- training and instruction of (panel) judges;
- continuous monitoring of each taster's the capability/competency;
- maintain good relations with management and other company personnel;
- collate and process all details for reporting of final tasting tests;
- have a broad knowledge of the make up of the products being analysed.

LIMITED PLACES AVAILABLE
